

## DELAYS IN DISSERTATION TIMELINE FORM

**This form is due before the Grad Review in Spring of Year Three**

The department is committed to supporting PhD students in finishing their dissertations during the funded 5-year period. The department deadlines reflect the time that is typically needed to successfully complete the dissertation.

If you anticipate being unable to meet the proposal and defense deadlines during the Spring semester of your third year, please complete this form.

### **Section 1 is to be completed by Student**

Please list the reasons for your delay.

---

---

---

---

---

---

---

What is your anticipated new timeline?

---

---

---

---

Please identify that status of your pilot data.

---

---

---

---

How will this affect your ability to complete the program during the funded 5 years period?

---

---

---

---

**Section 2 is to be completed by the Major Advisor**

Please use the section below to add any additional comments on the student's reasons and timeline below.
