

PSYCHOLOGY DEPARTMENT

Major Advisor's Rating of Initiative of Honors Work

Author of Thesis: _____

Title of Thesis: _____

Check One:

- 1. The original idea and the design stem from the student. While there was some collaboration on the original idea and design, the student would be first author on a publication of the work.
- 2. The student made significant contributions to the original idea and design, but would be second author on a publication of the work.
- 3. The student made minor contributions to the original idea and the design, but the major structure was provided by the advisor. The student's major contributions were to procedure, analysis, or interpretation.
- 4. The advisor presented the original idea and design to the student. The student made some contributions to the procedure, analysis, or interpretation.
