For International Students Only

- International students interested in enrolling in a 93 Internship course must first be in contact with the International Students and Scholars Office (ISSO) to determine what employment authorization may be necessary for the course based on the student's visa status. It is important to consult the ISSO as you consider enrolling in the course so that any appropriate authorization can be completed BEFORE beginning the 93 Internship course. Please feel free to contact the ISSO by phone (6-3480) to set up a meeting with an ISSO Advisor.

This area to be completed by an ISSO Advisor

CPT Required

Advisor Name: _____

Signature: _____

Date: _____

Some departments require the signature of the department chair or undergraduate advising head. Please check the department course description in the University Bulletin for other required signatures and obtain signatures as necessary.
