NOTES ABOUT FALL 2022 HISP COURSES

- All classes will be in-person.
- If you would like to enroll in a Spanish language course (HISP 10–108), you **always** have the option of emailing the Director of the Language Program, Elena González Ros, elenag@brandeis.edu, who will be happy to help you enroll.
- If you are sure of your placement, you may also place yourself on the waitlist for the class you want to take. (Do not worry if the enrollment limit is 0. This is a WorkDay workaround so that we can make sure students are placed in the right level.)
- **More details below and at:** www.brandeis.edu/romance-studies/courses

- **If you have never studied Spanish before:** Email Professor González Ros (elenag@brandeis.edu) to secure your spot in HISP 10. You may also place yourself on the waitlist (don't worry if enrollment is set at 0).
- **If you are already taking a language class:** You will receive an email from our office before registration opens. Please respond a.s.a.p. to the email stating which section you prefer. We will enroll students in the order in which we receive responses.
- **If you have an AP score, Seal of Biliteracy, or other official test score:** Please email your score to Professor González Ros (elenag@brandeis.edu), and she will place you in the right class for you.
- **If you have taken 1+ years of Spanish in high school or somewhere else:** Please email Professor González Ros (elenag@brandeis.edu). Most students will place in the 32 level if they have taken Spanish for 3 or more years. You will be asked to take a placement test. This test cannot be used to fulfill the language requirement. It's only an indication of what your level might be. A conversation with Professor González Ros will help you determine which class is right for you.
- **All other students in Spanish (including heritage speakers)** should contact Professor González Ros (elenag@brandeis.edu) to ensure correct placement.
