ALL STUDENTS NEED A CONSENT CODE TO ENROLL IN ITALIAN LANGUAGE COURSES (ITAL 10–106). PLEASE READ INSTRUCTIONS BELOW.

• Students currently enrolled in an Italian language course (ITAL 10–105) will be contacted before the beginning of registration to choose one section of the next course in the language sequence. They will be given a consent code for that section, or if that section is no longer available, they will be given further instructions.

• Students who have never studied Italian before or who have studied Italian for less than one semester should state how much Italian they have studied in an email to Professor Harder (harder@brandeis.edu) who will give them further instructions.

• Students who have studied Italian but not at Brandeis OR students who scored below 620 on the Italian SAT II exam, below 3 on the Italian AP exam, below 5 on the International Baccalaureate Higher Levels exam, or who took the IB Standard Levels exam should email Professor Harder (harder@brandeis.edu) for on-line access to the Italian placement test (valid for one year). After completion of the test and the questionnaire that follows, Professor Harder will provide a consent code for a specific section of the appropriate language course.

Are you interested in experiencing a taste of Italy right here on campus? If reading an Italian menu with the right accent, understanding Bocelli and Botticelli, speaking the language, and learning about love and passion beyond the stereotypes are not enough to get you involved, we will find many more ways to make your Italian experience worthwhile. Just as in Italy, if you have no specific reasons to study Italian, we will make one up just for you!

Students in this course advance their study in Italian language and culture by improving their ability to recount events, give descriptions, and make comparisons—both orally and in writing. Working with newspaper articles, short stories, and films, students gain an understanding of what growing up in Italy is all about! Students learn how the closeness of family and friends is the basis of Italian culture and how Italians are able to live in a modern Italy despite their old soul that comes from ancient values and colorful imagery of its people.
ITAL 128A Mapping Modern Italian Culture: Inherited Conflicts
(1) M,W, Th 10:00–10:50: Unglaub
Prerequisite: ITAL 105a or 106a or permission of the instructor. Conducted in Italian with Italian texts. (COML Lit Course in a Language Other than English; OC)
Was “la dolce vita” only a myth of Italian life? How have the concepts of mafia and camorra shaped the lives and politics of Italians? How has the profile of Italians changed in the last few decades both in Italy and abroad? What is the profile of Italian Americans? How is migration to Italy and Europe reshaping culture and addressing diversity? A socio-cultural analysis will expose students to the highlights and critical moments of contemporary Italy. Through study of history, cinema, and politics, this course will deepen students’ knowledge of advanced Italian culture and language.
