HOW DOES THE PROGRAM WORK?

July

Ivan

When you apply for the program, mention the language you would like to learn or improve and the language(s) you can exchange.

Example:

July and Ivan are language partners. They meet every 2 weeks for 1.5 hour to converse. July teaches Ivan Japanese (he is at the intermediate level) and Ivan teaches July Russian, a language that she does not know but that she always wanted to learn.

WHY PARTICIPATE IN LEP?

- LEP improves your language skills learning as you learn from a native speaker or an experienced language learner.
- You will not only improve your foreign language skills, but also learn more about the **culture** of your language partner.
- You can learn a new language from scratch! (If you are interested in that, let us know in the registration form)
- It is a great opportunity to meet new people!

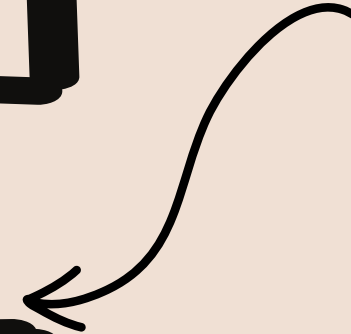

LEP SPRING SEMESTER SCHEDULE

Register for the program before February 2, 2022, 11:59 pm.

Come to the welcome event, meet your language partner, and grab some dinner together.

Meet once a week or every two weeks with your language partner for language exchange for 10 weeks.

Meet all language partners and discuss your language exchange experiences at the end of the semester closing event.

HOW CAN I REGISTER?

Scan the QR code and **fill in the Google Form** answering basic questions about the languages that you want to learn and the languages that you are able to exchange.
