HONORING
LIZBETH KRUPP
BOARD CHAIR
ROSE ART MUSEUM
HUGH HAYDEN
ARTIST

Lizbeth Krupp has been Chair of the Rose Art Museum's Board of Advisors since 2014. She has served alongside three directors with wisdom and grace, providing steadfast leadership through times of change. Her many donations to the Rose include exhibition sponsorship, art from her private collection, and a generous lead gift to establish a new Exhibition Endowment Fund.

Hugh Hayden is one of the most significant artists of his generation. He explores the human condition through meticulously crafted sculptures and visceral installations investigating nature, culture, history, and the American Dream. The artist's first major survey in New England, *Hugh Hayden: Home Work*, is on view at the Rose Art Museum through June 1, 2025.
