

Sara Shostak

Department of Sociology
Brandeis University, MS 071
Waltham, MA 02454-9110

Phone: 781-736-2213
Email: sshostak@brandeis.edu

Positions Held

- 2022 Inaugural Director, Vic and Bobbi Samuels '63 Center for Community Partnerships and Civic Transformation, Brandeis University
- 2021 Professor of Sociology and Health: Science, Society and Policy, Brandeis University
Affiliate Faculty
Heller School for Social Policy and Management, Brandeis University
Environmental Studies, Brandeis University
Women's, Gender, and Sexuality Studies, Brandeis University
Social Science Environmental Health Research Institute, Northeastern University
- 2013-2021 Associate Professor of Sociology and Health: Science, Society and Policy, Brandeis University
- 2015 Visiting Scholar, Department of Sociology, Harvard University
- 2013-2017 Chair, Health: Science, Society, and Policy Program, Brandeis University
- 2006-2013 Assistant Professor of Sociology, Brandeis University
- 2004-2006 Robert Wood Johnson Foundation Health & Society Scholar, Columbia University
- 2003-2004 DeWitt Stetten, Jr., Memorial Fellow in the History of Biomedical Sciences and Technology, Office of NIH History, National Institutes of Health

Education

- 2003 Doctor of Philosophy in Sociology (with distinction), University of California, San Francisco
- 1997 Master of Public Health, University of California, Los Angeles
- 1992 Bachelor of Arts in Sociology, Reed College; Phi Beta Kappa

Publications

Books

- 2021 *Back to the Roots: Memory, Inequality, and Urban Agriculture*. Rutgers University Press.
- 2013 *Exposed Science: Genes, the Environment, and the Politics of Population Health*. University of California Press.
- Eliot Freidson Outstanding Publication Award. ASA Medical Sociology Section.
 - Robert K. Merton Book Award. ASA Section on Science, Knowledge & Technology.

Edited Volumes and Journals

- 2017 *Food Systems and Health*. Advances in Medical Sociology Series. London: Emerald Group Publishing Ltd.
- 2008 Bearman, Peter S. (editor), Molly Martin and Sara Shostak (associate editors). *Exploring Genetics and Social Structure*. Special issue of the *American Journal of Sociology* 114 (S1).

Reports, White Papers, Policy Briefs

- 2020 *Harrison, T. and S. Shostak. *Fit Around the Farm: The Many Benefits of Callaloo, Chair Yoga and Community Building for Elders*. Submitted to the Urban Farming Institute, Boston, MA.
- 2020 Shostak, S., Sands, C., *Whitmore, K., and *T. Harrison. *Holistic Evaluation in Urban Agriculture*. Submitted to the Merck Family Fund.
- 2018 Shostak, S. *Missions and Metrics in Massachusetts Urban Agriculture*. Submitted to the Merck Family Fund.
- 2016 Shostak, S., *He, B., and N. Guscott. *Evaluating The Food Project’s Garden Programs: The Experiences and Perspectives of Gardeners*. Submitted to The Food Project, Boston, MA.
- 2015 Bachrach, C. and S. Robert, with contributions from T. Green, S. Shostak, and Y. Thomas. *Training in Interdisciplinary Health Science: Current Successes and Future Needs*. Washington, DC: Institute of Medicine Roundtable on Population Health Improvement.

- 1998 Harrington, C., LaPlante, M., Newcomer, R.J., Bedney, B., Shostak, S., Summers, P., Weinberg, J., and I. Basnett. *A Review of Federal Statutes and Regulations for Personal Care and Home and Community Based Services: A Final Report*. Department of Social and Behavioral Sciences, University of California, San Francisco.
- 1997 Kagawa-Singer, M., Dong, L., and S. Shostak. *Establishing a Baseline of Breast and Cervical Cancer Screening for Low Income Asian and Pacific Islanders in California*. Report to the American Cancer Society; Oakland, California.
- 1996 Cousineau, M.R. and S. Shostak. *Measuring Health Status Outcomes in the Health Care for the Homeless Program: A Pilot Study*. Bureau of Primary Health Care: Washington, D.C.
- 1996 Cousineau, M.R. and S. Shostak. *Understanding Differences in Structural and Operational Characteristics of Health Care for the Homeless Programs with Different Levels of Case Management Services*. Bureau of Primary Health Care: Washington, D.C.

Awards

- 2014 Eliot Freidson Outstanding Publication Award (for the best recent book that has had a major impact on the field of medical sociology). American Sociological Association, Medical Sociology Section.
- 2014 Robert K. Merton Book Award (for the best recent book published in science and technology studies). American Sociological Association, Section on Science, Knowledge & Technology.
- 2013 Michael L. Walzer '56 Award for Teaching. Brandeis University.
- 2003 Anselm Strauss Award for a Distinguished Qualitative Dissertation. School of Nursing, UCSF.
- 2003 Diana Forsythe Memorial Dissertation Award for Social Studies of Science, Technology & Health. Department of Anthropology, History and Social Medicine, UCSF.
- 1989-92 President's Commendations for Excellence in Scholarship, Reed College.

Grants and Fellowships

External

- 2019 Merck Family Fund, for "Towards Holistic Evaluation in Urban Agriculture" (\$25,000)
- 2017 Merck Family Fund, for "Missions and Metrics in MA Urban Agriculture" (\$12,500)
- 2014 Ruderman Family Foundation, Social Justice in Disability Scholars Program (Co-PI, with Susan Parish) (\$450,000)
- 2011 National Institute of Neurological Disorders and Stroke (NINDS), National Institutes of Health (\$191,000)
- 2010 E. Rhodes and Leona B. Carpenter Foundation (with Wendy Cadge (PI) and Emily Sigalow) (\$40,000)

- 2008 National Science Foundation, Sociology Program, Research Grant (\$70,000)
- 2007 American Sociological Association Teaching Enhancement Fund Grant (with Wendy Cadge and David Cunningham) (\$1,000)
- 2006 Epilepsy Foundation Research Grant (\$40,000)
- 2002 National Science Foundation, Dissertation Improvement Grant (\$8,000)
- 2001 Graduate Student Fellowship, University of California Toxic Substances Research and Teaching Program
- 2000 Pre-Doctoral Traineeship in Social Studies of Science and Technology, University of California, Berkeley
- 2000 Andrew Vincent White and Florence Wales White Fellowship in Medicine and the Humanities, University of California Humanities Research Institute
- 1998 Agency for Health Care Policy and Research Health Services Research Training Grant, University of California, San Francisco, Institute for Health Policy Studies
- 1996 Oncology Project Grant, American Cancer Society, California Division

Internal

- 2020 Center for Teaching and Learning Grant for “Building Resources for Community Engaged Research and Teaching in Waltham” (with Wendy Cadge) (\$3500)
- 2016 Diversity, Equity, and Inclusion Program Grant, Brandeis University (Jointly awarded to the Health: Science, Society and Policy Program and the African and Afro-American Studies Department) (\$3800)
- 2015 Teaching Innovation Grant, Brandeis University (\$5800)
- 2015 Provost Research Award, Brandeis University (\$3000)
- 2013 Davis Educational Foundation, Teaching and Learning Fellow
- 2006 - Theodore and Jane Norman Award for Faculty Scholarship, Brandeis University (\$21,000)
2015
- 2006 Robert Wood Johnson Health & Society Scholars Program Seed Grant for “Genetics and Social Structure” (with Peter Bearman and Molly Martin) (\$6,000)
- 2005 Robert Wood Johnson Health & Society Scholars Program Seed Grant for “Epilepsy Genetics: Ethical, Social, and Policy Dimensions” (with Ruth Ottman) (\$15,000)
- 1997 Regents Fellowship, University of California, San Francisco
- 1995 University Fellowship and Registration Fee Grant, University of California, Los Angeles

Invited Talks, Colloquia, and Seminars

- 2022 “Back to the Roots.” University of Edinburgh, Social Dimensions of Biomedicine Programme.
- 2022 “‘When You Heal the Soil...’: Environmental Racism and Socioecological Repair in Contemporary Urban Agriculture.” Université Paris 1 - Panthéon Sorbonne.
- 2022 “Tell All the Stories: Memory, Inequality, and Urban Agriculture.” Rao Memorial Lecture, College of the Holy Cross.
- 2022 “‘How Do We Measure Justice?’: Missions and Metrics in Urban Agriculture.” Science Studies Seminar, University of California, San Diego.
- 2021 “Tell All the Stories: Memory, Inequality, and Urban Agriculture.” Department of Sociology, Boston University.
- 2021 “Materiality and Meaning: Sociological Perspectives on Soil, Plants, and People.” School of Biological Sciences, University of Northern Colorado.
- 2021 “Stories of the Soil: History, Materiality, and Meaning.” Soil and Water Conservation Society – Southern New England Chapter. Summer Conference.
- 2021 “Telling the Stories of Massachusetts’ Urban Agriculture Practitioners.” Massachusetts Urban Farming Conference.
- 2020 “Holistic Evaluation in Urban Agriculture.” Massachusetts Food System Collaborative.
- 2019 “Rethinking Theory/Methods Packages.” Annual Meeting of the Pacific Sociological Association.
- 2019 “Community Gardens and Public Health.” Gardeners’ Gathering. Northeastern University.
- 2018 “Missions and Metrics in Massachusetts Urban Agriculture.” Social Science Environmental Health Research Institute, Northeastern University.
- 2018 “Stories of the Soil: Materiality and Meaning in Debates About Urban Agriculture in Boston.” Urban Inequalities Workshop, Initiative on Cities, Boston University.
- 2018 “‘We Need to Tell This Story’: Collective Memory, Food Access, and Health in MA Cities.” Institute for Health, Health Care Policy, and Aging Research, Rutgers University.
- 2018 “‘We Need to Tell This Story’: Collective Memory, Food Access, and Health in MA Cities.” Department of Sociology, Tufts University.
- 2018 “Stories of the Soil: Materiality and Meaning in Debates About Urban Agriculture in Boston.” Department of Sociology, Rutgers University.
- 2017 “Susceptible to Genetic Influence? Gene-Environment Interaction in Disciplinary Perspective.” Special Session on Sociogenomics. Annual Meeting of the American Sociological Association.

- 2016 “Data, Health Outcomes, and Urban Agriculture.” Urban Farming Conference, Northeastern University.
- 2014 “Exposed Science: Structural Vulnerabilities and the Limits of Environmental Knowledge.” Science in Human Culture Program, Northwestern University.
- 2014 “Conceptualizing the Environment: Exposomes, Ecologies, and Regimes of Perceptibility in the Environmental Health Sciences.” Program in Science, Technology & Society, Drexel University.
- 2014 “Environmental Health Science and the Public's Health: Visions for the 21st Century.” Institute for Society and Genetics, University of California, Los Angeles.
- 2014 “What’s Sociology Got to Do With It?: Genetic Testing in Sociological Perspective.” Health and Society Working Group. Department of Sociology, University of California, Los Angeles.
- 2013 “Exposed Science: Genes, the Environment, and the Politics of Population Health.” Department of Sociology, Boston University.
- 2013 “Exposed Science: Structural Vulnerabilities and the Limits of Environmental Knowledge.” Department of Science and Technology Studies, Cornell University.
- 2013 “Environment as Exposome, Environment as Ecology: Regimes of Perceptibility and the Social Determinants of Health.” Symposium on “Big Pharma, Big Medicine and Technoscience: Investigating Intersections in the Twenty-first Century.” Bowdoin College.
- 2012 “Defining Vulnerabilities: Genes, the Environment, and the Politics of Population Health.” Keynote Address. Qualitative Methods Showcase. University of Colorado, Denver, Anschutz Medical Campus.
- 2012 “Teaching Graduate and Undergraduate Research Methods.” Departmental Management and Leadership Workshop. Annual Meeting of the American Sociological Association.
- 2012 “Making Comparisons, Making Meanings.” Invited commentary, Medical Sociology Panel. Annual Meeting of the American Sociological Association.
- 2012 “How Science Matters: Having Epilepsy in the Age of the Genome.” ESRC Centre for Economic and Social Aspects of Genomics (CESAGEN). Cardiff University.
- 2012 “How Science Matters: Having Epilepsy in the Age of the Genome.” Health & Medicine Speakers Series. Colby College.
- 2012 “How Science Matters: Having Epilepsy in the Age of the Genome.” Center for ELSI Research on Psychiatric, Neurologic, and Behavioral Genetics. Columbia University College of Physicians and Surgeons.
- 2011 “Defining Vulnerabilities: The Politics of Environmental Health.” Contested Illnesses Research Group. Department of Sociology, Brown University.
- 2011 “What is the 'Environment' in Gene-Environment Interactions?” Race and Genomics Lecture Series, Brown University.

- 2010 “What is the 'Environment' in Gene-Environment Interaction?: Implications for Health Disparities Research.” The Boston Colloquium. Boston University Center for Philosophy & History of Science.
- 2010 “Forgetting and Remembering Epilepsy: Collective Memory and Illness Experience.” Comparative Research Workshop. Department of Sociology, Yale University.
- 2010 “Citizenship and Science: The Challenge of the Environment.” Invited presentation, Thematic Session. Annual Meeting of the American Sociological Association.
- 2009 “Mechanisms and Meanings of Health and Illness.” Invited commentary on the panel *Genetics, Social Context, and the Social Construction of Disease*. Annual Meeting of the American Sociological Association.
- 2008 “‘Bringing the Human Back In’: Genetics in the Environmental Health Sciences.” Program in Science and Technology Studies. Brown University.
- 2008 “Scaling Complexity: Genetics, Social Structure, and Policy Environments.” Stanford Center for Biomedical Ethics.
- 2008 “Multiplicities in Practice: Genes and Environments in Environmental Health Research.” Invited colloquium (May 6) and seminar (May 7). Department of Sociology and Science and Justice Working Group, UC Santa Cruz.
- 2008 “Changing the Subject: Science, Subjectivity, and ‘Ethical Problems’ in the Environmental Health Sciences.” Harvard Science and Technology Studies Circle.
- 2007 “Time, Place, and Meaning in Population Health Research.” Annual Meeting of the RWJF Health & Society Scholars Program.
- 2007 “Gene-Environment Interaction: Ethnographic Explorations.” Contested Illnesses Research Group. Department of Sociology, Brown University.
- 2005 “From Toxicology to Toxicogenomics: A Case Study of Molecularization.” Diana M. Forsythe Memorial Lecture, University of California, San Francisco.
- 2004 “Pathways to Public Health: Research with Genetically Modified Mouse Models at the NIEHS.” National Institutes of Health (8 July) and NIEHS (15 July).

Conference Presentations

- 2018 “‘We Need to Tell This Story’: Collective Memory, Food Access, and Health in MA Cities.” Annual Meeting of the American Sociological Association.
- 2015 “The Socio-Exposome: Advancing Environmental Science in a Post-Genomic Era.” Annual Meeting of the American Sociological Association. (presented by Laura Senier, with co-authors Phil Brown and Bridget Hanna).
- 2015 “A Tale of Three Markets: Food Access and Food Justice in Somerville, MA.” Feeding Cities: Ethical and Policy Issues in Urban Food Systems. Northeastern University.

- 2013 “The Missing Piece of the Puzzle?: Conceptualizing the Environment in the Postgenomic Moment.” Annual Meeting of the American Sociological Association (with co-author *Margot Moinester).
- 2011 “Forgetting and Remembering Epilepsy: Collective Memory and Illness Experience.” Annual Meeting of the American Sociological Association (with co-presenter *Nicole Fox).
- 2009 “Teaching Graduate and Undergraduate Research Methods: A Multi-Pronged Departmental Initiative.” Annual Meeting of the American Sociological Association (with co-presenter *Jenn Girouard, for co-authors David Cunningham and Wendy Cadge).
- 2008 “Multiplicities in Practice: Genes and Environments in Environmental Health Research.” Annual Meeting of the American Sociological Association.
- 2007 “Public Assessments of the Importance of Genes for Psychological, Social, and Health Outcomes.” Annual Meeting of the Eastern Sociological Society (presented by Jeremy Freese).
- 2006 “Changing the Subject: Science, Subjectivity, and ‘Ethical Problems’ in Toxicogenomics.” Annual Meeting of the American Sociological Association (with co-author *Erin Rehel).
- 2006 “Genetics and Social Structure: Opportunities for Population Health Research.” Annual Meeting of the RWJF Health & Society Scholars Program.
- 2005 “Technologies of Translation.” Annual Meeting of the American Sociological Association.
- 2005 “Social, Ethical, and Policy Dimensions of Epilepsy Genetics.” Annual Meeting of the RWJF Health & Society Scholars Program.
- 2004 “Molecularization, Individualization, and Biopolitics.” Annual Meeting of the American Sociological Association (by proxy) and at the RWJF Health & Society Scholars Fall Conference.
- 2003 “Where Environmental Justice and Environmental Genomics Meet: Concerning the Subject(s) of Toxicogenomics.” Annual Meeting of the Society for Social Studies of Science (4S).
- 2003 “Constructing Environmental Genomics.” Annual Meeting of the American Sociological Association.
- 2002 “Locating Gene-Environment Interaction: A Genealogy.” Annual Meeting of the Society for Social Studies of Science (4S).
- 2002 “Biomedicalization and Environmental Health: Towards a Sociology of Molecular Biomarkers.” Annual Meeting of the American Sociological Association.
- 2001 “Locating Biomarkers, Relocating Risk.” Annual Meeting of the Society for Social Studies of Science (4S).
- 2000 “Environment(s) as Containers and Experiences: Studying Place and Women’s Health.” Annual Meeting of the American Sociological Association.
- 2000 “Social Inequality and Health: Welfare Reform and Immigrant Elders in the San Francisco Bay Area.” Annual Meeting of the American Sociological Association.

- 2000 “‘Just Come Sit in Here and Listen to These Young Mothers’: A Social Geography of Welfare Reform.” Annual Meeting of the Society for the Study of Social Problems; Eleventh International Congress on Women’s Health Issues.
- 1999 “Shifting Fault Lines: Mapping the Effects of Welfare Reform on Senior Services in San Francisco, CA.” Annual Meeting of the Society for the Study of Social Problems.

Brandeis University Talks and Colloquia

- 2021 “Back to the Roots and Towards Greater Equity.” Department of Sociology.
- 2021 “Genomic Citizenship.” Schusterman Center for Israeli Studies.
- 2021 “Collaborative Projects on Food, Justice, and Health.” Department of Community Service.
- 2020 “From Food Access to Food Justice.” Faculty Spotlight Lecture. Office of Admissions.
- 2018/9 “What is Community Engaged Research?” Social Science Summer Lab.
- 2017 “‘Grounded in the Neighborhood’: Social Capital and Health in Community Gardens.” Global Health Summit for Youth.
- 2017 “Why Farm the City?: Urban Agriculture in Massachusetts.” Bridging the Two Cultures Series.
- 2016 “Community Based Research as Pedagogy.” Teaching Innovations Showcase.
- 2016 “From Food Access to Food Justice: A Case Study of the Somerville Mobile Farmers’ Market.” Global Health Summit for Youth.
- 2016 “Race, Religion, Food and Community: Doing Public History in Mattapan.” Contemporary Jewish Life Seminar.
- 2014 “Hipster Chickens, Climate Change, and Food Deserts: What Urban Agriculture Initiatives Teach Us About Contemporary Public Health.” Social Science Forum.
- 2014 “Environmental Health Science and the Public's Health.” Boston Alumni Chapter.
- 2013 “What is Your Dream Project?” Teaching at Brandeis Dinner.

Courses Taught

Brandeis University

- Undergraduate: HSSP 110a: Integrative Seminar in Health (HSSP Capstone)
Neighborhoods and Health (2016)
Food Systems and Health (2020)
HSSP 182a: Food, Justice and Health
SOC 18a: Observing the Social World: Doing Qualitative Sociology
SOC 81a: Methods of Social Inquiry (Mixed Methods)
SOC 83a: Sociology of the Body and Health
