On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (ARP) (Pub. L. 117-2). The following information is provided by Brandeis University University as required by the Department of Education ("ED") in order to comply with the reporting requirements under the ARP Act. The first report is required to be posted no more than ten days after the end of the quarter, with subsequent updates required no more than ten days after each quarter thereafter, ending with the date on which all funds are expended.

QUESTIONS? ASK LOUIS

As of 6/30/2021, no student has received an Emergency Financial Aid grant under the American Rescue Plan Act of 2021 (ARP) (Pb. L. 117-2)

**6. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under the American Rescue Plan Act of 2021 (ARP) (Pub. L. 117-2).**

The eligibility criteria for the HEERF III Grant was as follows:

- Active student (or May 2021 graduate) who was enrolled in a full-time degree program at Brandeis University during the entirety of the spring 2021 semester; students enrolled for the spring 2021 semester in a degree program offered exclusively online (e.g., GPS programs) must have been enrolled in a full-time courseload, as defined by the program.
- Student must have experienced a financial hardship related to any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.
- Students must certify that eligible expenses were incurred when requesting disbursement of the grant. The expenses incurred must be equal to, or in excess of, the amount of the HEERF III Grant awarded, plus any HEERF Grant I and II and Brandeis Emergency Fund Grant payments received since March 13, 2020.

The Department of Education did not place any restrictions on these funds, as they did with HEERF I and II, in regards to citizenship or eligibility for Title IV aid except to require that Brandeis prioritize its distribution of HEERF III funds to students with exceptional financial need. Thus, the amount of funds for which each student was eligible was based on the Expected Family Contribution (EFC) as determined by the 20-21 FAFSA or, for students not eligible to file the FAFSA, other financial aid applications currently on file. Grants were offered to eligible students, regardless of citizenship status, as follows:

Expected Family Contribution	HEERF III Grant Amount
\$0 - \$10,000	\$2,850
\$10,001 - \$25,000	\$1,400
\$25,001 - \$50,000	\$ 700
> \$50,000	\$ 250
No FAFSA/No application on file	\$ 75

**7. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.**

An e-mail was sent to all active students, including those that recently graduated, on 6/2/2021, explaining the eligibility requirements and indicating the 6/30/2021 deadline to request the funds via Sage. The e-mail also directed students to the University's [HEERF III website](#). This website includes eligibility requirements for the grant, deadlines and timelines, and FAQs.

Eligible students who had not yet requested the funds were sent regular reminder e-mails with instructions, weekly during the first couple of weeks and more frequently as the deadline came closer. The deadline was extended beyond June 30th to allow students more time to certify.
