2018-2019 Financial Aid Appeal Guidelines and Worksheet

Instructions

Your eligibility for need-based financial aid has been determined according to federal regulations and university policies governing financial aid programs. Using the information that you provided on the FAFSA, CSS/Financial Aid PROFILE, student and parent tax returns* and/or other supporting documentation, we have calculated your Expected Family Contribution (EFC) and awarded financial aid appropriately. We recognize that a family's income is not always consistent and that financial situations change throughout the academic year due to unforeseen circumstances.

You may request a review of your financial aid package to significant changes in your family's circumstances that affect your ability to contribute to college costs by completing this Financial Aid Appeal Worksheet and submitting the required documentation. Please complete all sections of this form as accurately as possible. If you have not already submitted a 2018-2019 FAFSA, 2018-2019 CSS/Financial Aid PROFILE, complete copies of the student's and parents' 2016 Federal Tax Returns* and a 2018-2019 Verification Worksheet, if required, you must do so now. Again, information presented in this appeal should be new information or information that has changed significantly from your initial application. We cannot consider appeals based on credit card debt, car or mortgage payments, wedding/celebration expenses, private school costs, vacations or other discretionary expenses. **Please note that appeals will be addressed after July 2nd, 2018.**

Once the Student Financial Services Appeals Committee reviews the submitted documentation and determines if the student qualifies for additional aid, we will notify the student by mail. Response time will vary based on our volume of appeals at the time you submit your request. However, you can expect a status update within 5 – 10 business days. Additional aid will be considered for students on a funds available basis when the calculations result in higher financial need. Please note, additional scholarship funds will only be offered if a student has taken advantage of all other sources of financial aid (e.g., federal and state grants, subsidized and unsubsidized federal loans, etc.).

If you have any questions, please contact our office at 781-736-3700 or sfs@brandeis.edu.
