

I love to travel to "The Happiest Place on Earth" with my family.

In the winter, I ski with my family at the largest ski resort called the "Beast of the East"

I have a dog named after a cartoon character and a comic book.

I live with my husband and three daughters. My three daughters are all very passionate about one sport in particular.

I was born and raised on a farm that produces the largest amount of a particular fruit in all of New England.

When I was growing up, i had a pet who was my favorite animal, named Tammy.
