Home & Sidebar Menus

Home Menu

The Home screen displays TripShot's most used features such as Favorites, Trip Planner, Routes, Stops and Points of Interest (if applicable).

Sidebar Menu

TripShot's sidebar menu provides access to Wallet, My Trips, Notifications, Settings, and Help & Feedback.
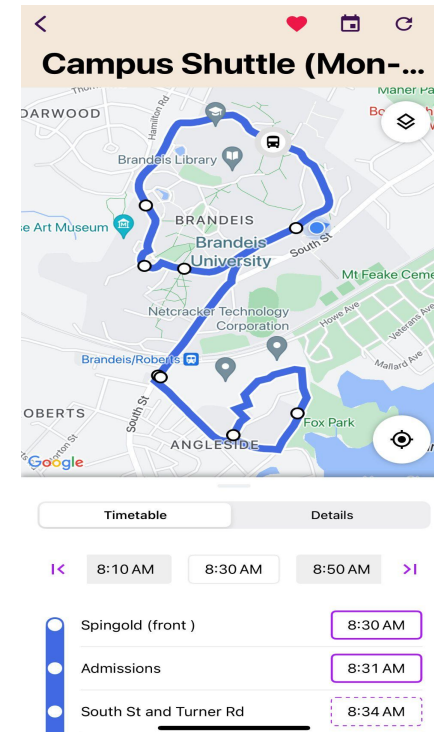

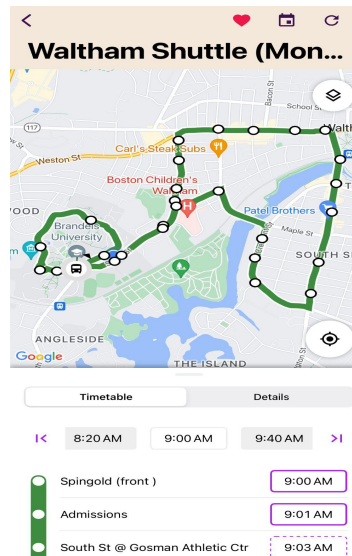

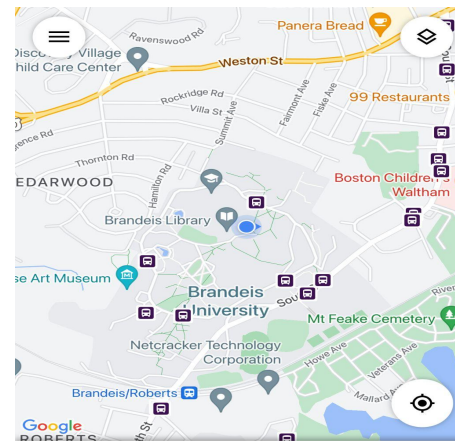

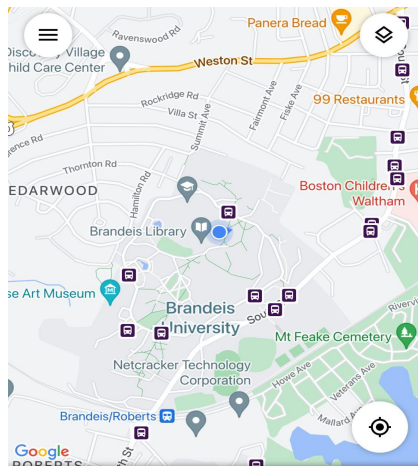

The route feature is the most frequently used on the main screen of TripShot. The nearby stop feature helps you find the closest bus stop using GPS.

Choose the route, to view the bus timetables, stops, and maps.

The Nearby Stops shows the closest bus stop using your GPS location and when the bus arrives.

Scheduled Time Stops/Holds

- **Solid border** = hold & wait at stop.
  - The driver waits and departs at scheduled time. This allows for schedule adjustments.

- **Dashed border** indicates that these are not hold stops, and they are pick up and drop only stops.

Pick dates ahead to discover which shuttles will be running.

1. Select calendar box
2. Select date
